Get To Know Me Marcus Ippolito

What is your new position at Aqua-Aerobic Systems?

Mechanical Designer

Tell us a little bit about yourself and your family.

My name is Marcus Ippolito, besides working full time I am a student at RVC. I previously worked as a CNC Machinist but am looking to get more into the design side of things. My family is spread out all over the country but we get together as often as we can.

What are your past education and work experiences?

My attended high school at Cary-Grove in Cary IL. I have been attending classes at RVC and will finish in May of 2024 with a degree in Manufacturing Engineering. After, I will attend NIU to continue my schooling. I worked at Wesley Willows for two years, and then at Spare Parts Solutions as a CNC Machinist for three years.

How about your hobbies and things outside of work that interest you?

I enjoy a lot of physical exercise. I enjoy running and lifting weights. I also enjoy playing video games and going out with my friends.

What is something that you have always wanted to do?

I have always wanted to try and run a marathon. I have done a half marathon but never a full one.
