Get To Know Me Nathan Haug

What is your new position at Aqua-Aerobic Systems?

Senior Mechanical Engineer

Tell us a little bit about yourself and your family.

I was born and raised in the Rockford area. I currently live in South Beloit with my wife Sara, my 7 year old daughter Addison, and our dog Oakley.

What are your past education and work experiences?

I have my Bachelors degree in Manufacturing Engineering from Northern Illinois University. My previous jobs include being a Project Manager at IMA Automation and most recently as a Robotics Engineering Manager at United Alloy. I have also been a Mechanical Engineer at Ingersoll Machine Tools where I invented and designed the worlds largest 3D printer called Masterprint.

How about your hobbies and things outside of work that interest you?

I like to hike and camp as much as possible. I am also an avid golfer and play pool.

What is something that you have always wanted to do?

I have always wanted to complete the Half Dome hike at Yosemite National Park.
