What is your new position at Aqua-Aerobic Systems?

Senior External Aftermarket Sales Representative

Tell us a little bit about yourself and your family.

I live in sunny Florida with my wife and dog.

What are your past education and work experiences?

I have a bachelor's degree in environmental science with an emphasis in environmental engineering. I am pursuing my MBA at FSU. I have worked with Evoqua now known as Xylem for the past 9 years. This will be my 10th year in the water and wastewater industry.

How about your hobbies and things outside of work that interest you?

My hobbies typically stem outside. From the beach to the woods, I have always loved the outdoors.

What is something that you have always wanted to do?

Something I have always wanted to do was to finish all 7 continents.
