

## Get To Know Me Jonah Carlson

What is your new position at Aqua-Aerobic Systems? **Application Engineer Intern** 

## Tell us a little bit about yourself and your family.

I have an older brother who just graduated college and a younger sister who's about to graduate high school

## What are your past education and work experiences?

I graduated from Christian Life High School, and I'll be a sophomore at Olivet Nazarene University in Bourbonnais, IL., my major is Mechanical Engineering. I previously worked at Home Depot and more recently I worked at Costco.

How about your hobbies and things outside of work that interest you? Traveling is my favorite thing in the entire world. I love visiting new places and exploring. I enjoy golfing in my free time as well although I'm not very good at the moment.

## What is something that you have always wanted to do?

When I live on my own, I'd like to adopt a few older rescue dogs.
